

Dear BCCHS Students and Parents,

It is my pleasure to welcome you and your child to Breckinridge County High School for the 2021-2022 school year. I hope that each of you has had a wonderful summer and are ready for what promises to be an amazing school year. I can honestly say that I cannot wait to start this year off right.

Our Freshman/New Student Orientation will be held on Monday, August 9, 2021, from 5:00 P.M. until 7:00 P.M. for all incoming freshmen, as well as any new student. These two groups are invited and encouraged to attend and have the opportunity to receive important information about our school and the upcoming year. Everyone will be able to tour the building in order to familiarize themselves before the first day of school. Our Band Boosters have also organized to have Kona Ice there to supply some special treats for anyone who wants to support our BCCHS Band.

I'm sure everyone has noticed and heard of the intense renovations that our school is currently undergoing. We are incredibly excited to see the work that is coming along on our roof, gym, Commons Area, bathrooms, auditorium, and more. Our newly revitalized school is going to be fantastic, and we cannot wait to see the finished product. While work will be continuing on into the new school year, we hope to do so with minimum disruption to the school day.

Since helping students become successful in their lives and in our community is one of our most important goals, BCCHS faculty and staff value and appreciate the opportunity to work with the youth of our community in an effort to ensure they maximize every opportunity to achieve greatness. If you have any questions or need anything at all in regard to your or your child's education here at the high school, please feel free to contact us.

Sincerely,

Jami Anthony

Principal
