

## BRAVE Academy Student/Family Agreement

**Purpose:** The BRAVE Academy is designed to reach students who have traditionally homeschooled, to provide curriculum to students who are interested in homeschooling, or to provide an alternate means of receiving instruction by a performance based alternative. This program requires self-discipline for students. Parents/guardians of enrolled students must commit to monitoring the progress of their child in the program.

**Requirements:** Students wishing to enroll in the BRAVE Academy are required to attend an orientation session with their parent/guardian for an introduction to the program. At the orientation, prospective students will learn about the online program (Edgenuity) and expectations for enrollment. Students enrolled in the BRAVE Academy must make satisfactory progress and follow all expectations. In addition, students will be required to participate in all testing required by the state and any other testing measures that are required by the school. Students are also required to maintain up to date contact information with the school and to respond to all contacts made by the school within 24 hours. Middle and High School students must enroll in the BRAVE Academy prior to the start of a new academic semester (Fall and Spring) or receive approval for extenuating circumstances. Elementary students must enroll in the BRAVE Academy prior to the start of a new grading quarter or receive approval for extenuating circumstances.

Students' success in the BRAVE Academy is dependent on both the student and parent's investment in this innovative environment. Parent and student responsibilities include, but are not limited to:

1. Families are expected to provide reliable internet and technology devices to support online learning for student(s).
2. Attend an in-person or virtual BRAVE Academy orientation session.
3. Monitor student progress and contact the Digital Learning Coordinator with any concerns.
4. Ensure daily participation in classes and adherence to the daily class schedule. Students that do not meet daily progress and completion of assigned performance tasks for the day/week, will be counted absent.
5. Students/families enrolled in the BRAVE Academy shall follow and be held accountable to all attendance expectations, regulations, and laws.
6. Students will participate in scheduled instructional activities.
7. Attending mandated assessment sessions on-campus throughout the school year.
8. Attending mandated intervention sessions on-campus throughout the school year as needed based on course progress.

As a student in the BRAVE Academy, I understand that failure to comply with any of these requirements will result in being removed from the program and transitioned back into the traditional learning model.
