

March 20, 2020

Dear Breckinridge County Learning Community,

Earlier this afternoon, Governor Andy Beshear had a phone conference with every superintendent in the state of Kentucky. The Governor provided an update on the COVID-19 outbreak situation in Kentucky and expressed his appreciation for all we are doing as Kentuckians to support and protect each other. Governor Beshear also asked that all schools in Kentucky continue the school closure until Monday, April 20, 2020. Therefore, schools in the Breckinridge County School District will remain closed until Monday, April 20, 2020. Please review our schedule below for the additional days:

- April 13, 2020- NTI Day #10
- April 14, 2020- NTI Day #11
- April 15, 2020- NTI Day #12
- April 16, 2020- NTI Day #13
- April 17, 2020- NTI Day #14

Our teachers are currently developing NTI Days 11-20. Very soon, the school district will communicate methods for picking up and delivering these packets. Please feel free to reach out to your child's school if you have any questions or concerns.

I realize that this will be the first time our students have five NTI days assigned in a row. This will be more challenging for our students, but we will be there to support our students every step of the way. Please do not hesitate to contact your child's teacher, guidance counselor, principal, or school district leadership if you need any kind of assistance. We will continue to work together as a community and get through this. Thank you for your continued patience and support.

#breckstrong

Sincerely,

Nick Carter, Ed.D
Superintendent
Breckinridge County Schools
