## *Principal's Message*

News - April 11, 2021

Good Sunday evening Tiger Nation!!! I sure hope everyone had a wonderful spring break and you were able to relax and stay healthy. I can't believe we only have six full weeks of school remaining this year. It certainly has been a challenge, but it has been very fulfilling having students in our building and slowly returning to normalcy. We do have a lot going on as we finish the year up. I will do my best to get you as informed as possible. Follow the high school on Facebook and Twitter as well because if I forget something, I will post announcements and updates on there. Please enjoy the week's *Principal's Message* and Go Tigers!!!

We will definitely have a busy week as we finish the final stretch of the year. It is as important as ever to focus on grades and finish the year on a good note. This is definitely not a time to not be focused. So, please encourage all of our students to finish strong.

We will have our makeup pictures tomorrow. This will be for our senior drape retakes and any underclassmen that missed their picture day earlier in the year. If you have any questions, please do not hesitate to call the high school for more information.

Prom will be this weekend coming up! I know it has a very different look than in the past, but I am just glad we are able to do something for our students. There is information in the *Principal's Message* about procedures for this wonderful evening.

### **Week of April 12-16**

We will again have all in-person students attend Monday through Thursday this week and work remotely on Friday. Remote students will continue utilizing their Google Classrooms and working remotely Monday through Friday each week. Please know that we are available anytime to assist if anyone is having any issues. We will be available on Friday for any student that needs to come in and work from 9:00 to 11:00. Please make contact with a classroom teacher to make arrangements to come in on a Friday.

### **Parent-Teacher Communications**

The parent-teacher relationship is a partnership to help your child succeed. We are readily available for you at any time you need. Please contact the school below to speak to someone about your child's progress or use the email link below to reach out directly to your child's teachers.

### **Final Grading Period**

We are in our fourth and final grading period for the year. We are almost to the midterm point of the grading period. We will have six weeks of school remaining when we return from spring break. I would like to encourage all parents and guardians to sign up for Parent Portal through Infinite Campus. This tool allows you to track your child's grades, attendance, and behavior. Click on the link below to sign up for this service.

### **Graduation Update**

Page 3 goes over our graduation plan thoroughly. However, we will be assigning graduates to groups when we return from spring break. Graduates and their families will know if they will be in the 5:30 ceremony or the 7:30 ceremony. Thank you for your patience in our planning.

### **After-School Tutoring**

BCHS has after-school tutoring available Monday through Thursday from 3:00 to 4:00 in the BCHS library. This service is available to all students even if you are not in-person on that certain day. This service is also available to you if you are 100% remote. We do offer a shuttle run at 4:20 and 5:20 each afternoon to deliver students to their hometowns to save on trips into Harned. The activity buses will arrive at our elementary schools around 4:45 and 5:45.

### **2021-2022 Student Scheduling**

BCHS has started scheduling for the 2021-2022 school year. Students have the ability to logon through Infinite Campus and complete their course registration. Below is the link to walk you through step-by-step. Please know we are available if you have any questions or need any additional information.

### **School Pictures and Senior Drape Pictures**

Graham Photography will be here on April 12th to do picture retakes for seniors needing to get drape pictures taken or underclassmen pictures.

### **Healthy Habits**

Our county Incident Rate Number is dropping! We must keep up the great work! It is important for each of us to do our part to keep our community safe, healthy, and ultimately, in school. We must continue to wash our hands frequently and thoroughly. We must continue to wear our masks and distance ourselves from others. We must also not get around others when we do not feel well. So, if you are a student and you are not feeling well, please stay home and work remotely. It is not worth the chance of getting others sick.

### **Graduation Orders**

Please click on the link below if you are needing to order your cap and gown or any graduation items.

### **BCHS Athletics**

Mother nature caused our Lady Tiger softball and our Fighting Tiger baseball team some issues over the break, but they were able to get a few games in. Our Lady Tigers defeated Metcalfe County 7-4 but fell to Russell County 5-2 to move to 2-3 on the season. The Lady Tigers will be on the road this week as they will be at Thomas Nelson on Monday and at North Hardin on Thursday.

The Fighting Tiger baseball team moved to 5-3 on the season as they split their games over the break. The Fighting Tigers fell to Greenwood early in the week 13-4 and then lost to Barren County 6-3 before defeating South Warren 8-5 and Crittenden County 13-5. The Fighting Tigers too will be on the road this week as they will travel to Owensboro on Monday and Butler County on Friday.

You can find the Lady Tiger and Fighting Tigers schedules at the link below. You can also find up-to-date statistics for the current season.

### BCHS Class of 2021 Graduation

**Friday, May 28**

**5:30 - Session 1**

**7:30 - Session 2**

Breckinridge County High School will have our 2021 Commencement exercises on Friday, May 28, 2021 at 5:30 P.M. and at 7:30 P.M. We have decided on the split session graduation to provide all our graduates the opportunity to walk across the stage and have family members present.

### Number of Graduates

Total Students Participating: 160 (approximately)

- Total Students 5:30 Ceremony: 80 graduates
- Total Students 7:30 Ceremony 80 graduates
- **We will be setting our ceremony grouping the week of April 12th.**

### Crowd Capacity

- Crowd Capacity at 15% would allow us to have 480 guests per session. This would allow each graduate 6 tickets for guests to attend their graduation.
- Students will not count toward the 15% just like our athletic events.
- Faculty will not count toward the 15% and will be seated on the gym floor six feet apart.

\*\*\* We hope the percentage will be increased by May and in communication with the community we will address the capacity limitations.

By having two ceremonies, we are able to provide each graduate with a larger number of tickets to invite family and friends. We will also use the time in between sessions to sanitize the gymnasium to provide all graduates and guest with a safe environment. Masks will be required to be worn by all individuals in the building and social distancing will be monitored.

### Masks and Social Distancing

- Graduates will be seated on the gym floor six feet apart and will be required to wear a mask.
- Faculty will be seated on the gym floor, spaced six feet apart, and required to wear a mask.
- Distinguished Guests (Stage Seats) will be placed in areas around the stage. We will only use the stage to hand out diplomas.
- Guests will be required to be socially distanced and seated six feet apart from other families.

We are excited about these plans and the opportunity to have our students “walk” across a stage. These plans do have the potential to change from now until May 28th. We hope our number of COVID-19 cases continue to decline so we can allow more guests to attend.

Please stay tuned.

### Project Graduation

As of today, we do not have plans to have a project graduation. Please know Mrs. Shrewsberry is in constant contact with school administration discussing options.

### BCBS DECA Sponsor, Mrs. Leah Lovell Earns Honor

Breckinridge County High School is extremely proud of Mrs. Leah Lovell and her recent honor of being named the Third Region DECA Advisor of the Year. Mrs. Lovell has introduced DECA to our school and has had tremendous success in her first few years. Mrs. Lovell teaches Digital Literacy, Entrepreneurship, Multimedia Publishing, Marketing Applications, Promotional Apps and Media, and Principles of Marketing. Mrs. Lovell also runs Tiger Paw Publishing which produces apparel and signage for our school and community.

Congratulations Mrs. Lovell and thank you for your hard work for our school and community. We are very proud of you.
