Principal's Message

News - May 2, 2021

Good Sunday evening Tiger Nation!!! I hope everyone has had a wonderful weekend. We are now down to three full weeks of school and four weeks until graduation! We are down to those final weeks of the grading period and the final weeks of the semester and year. It is crucial for all of our students to buckle down and finish the year strong. Please enjoy this week's *Principal's Message* and Go Tigers!!!

Week of May 3-7

We will have all in-person students attend Monday through Thursday this week and work remotely on Friday. Remote students will continue utilizing their Google Classrooms and working remotely Monday through Friday each week. Please know that we are available anytime to assist if anyone is having any issues. We will be available on Friday for any student that needs to come in and work from 9:00 to 11:00. Please make contact with a classroom teacher to make arrangements to come in on a Friday.

Parent-Teacher Communications

The parent-teacher relationship is a partnership to help your child succeed. We are readily available for you at any time you need. Please contact the school below to speak to someone about your child's progress or use the email link below to reach out directly to your child's teachers.

Final Grading Period

We are in our fourth and final grading period for the year. We have four weeks of school remaining and those weeks will fly by. I would like to encourage all parents and guardians to sign up for Parent Portal through Infinite Campus. This tool allows you to track your child's grades, attendance, and behavior. Click on the link below to sign up for this service.

BCHS Athletics

The Lady Tigers softball team had a wonderful week as they won both of their games to improve to 11-5 on the season and increase their winning streak to three games. The Lady Tigers avenged an early season loss to Ohio County by beating Ohio County on the road 10-5. The Lady Tigers then defeated LaRue County 13-1 on the road to cap off the week. The Lady Tigers will be on the road Monday at district-rival Hancock County, home Tuesday against Whitesville Trinity, home Thursday against Meade County, and then on the road this weekend at LaRue County where they will play Elizabethtown and Hart County.

The Fighting Tiger baseball team had a rough week as they lost all three games and fell to 9-6 on the season. The Fighting Tigers lost Monday to Daviess County 10-2, lost to Meade County on Friday 6-3, and then lost yesterday to Greenwood 6-5. The Fighting Tigers hope to get things going this week as they travel to Meade County on Monday, hosting Elizabethtown on Thursday, at John Hardin on Friday, and then hosting DeSales and North Oldham on Saturday at Tiger Field at the Hardinsburg Ballpark.

After-School Tutoring

BCHS has after-school tutoring available Monday through Thursday from 3:00 to 4:00 in the BCBS library. This service is available to all students even if you are not in-person on that certain day. This service is also available to you if you are 100% remote. We do offer a shuttle run at 4:20 and 5:20 each afternoon to deliver students to their hometowns to save on trips into Harned. The activity buses will arrive at our elementary schools around 4:45 and 5:45.

State Testing - KPREP

BCHS will have our state testing on May 11th and 12th. On Tuesday, May 11th, BCBS 10th grade students will take math and reading tests and on Wednesday, May 12th, our 11th grade students will take the On Demand test and a science and social studies test. Students not testing will be assigned certain locations while tests are administered. The non-testing students will be able to work on their school work and some will be provided time to work on correspondence.

BCBS Senior Awards Night

We will have our Senior Awards Night on Wednesday, May 19th at 6:00 P.M. in the BCBS Gymnasium. All seniors will receive an invitation to attend. Each senior invited will be able to bring up to six guests.

BCBS Chromebook Return

BCBS will start collecting Chromebooks during the last full week of school (Week of May 17th). Students will need to turn these into their first period teachers and we will then store them for the summer. Students that need a Chromebook for the summer will need to return their Chromebook and then check another one out for the the 2021-2022 school year.

BCHS Class of 2021 Graduation

Friday, May 28

5:30 - Session 1

7:30 - Session 2

Breckinridge County High School will have our 2021 Commencement exercises on Friday, May 28, 2021 at 5:30 P.M. and at 7:30 P.M. We have decided on the split session graduation to provide all our graduates the opportunity to walk across the stage and have family members present.

Number of Graduates

Total Students Participating: 160 (approximately)

- Total Students 5:30 Ceremony: 80 graduates (A through J)
- Total Students 7:30 Ceremony 80 graduates (K through Z)

Crowd Capacity

- Crowd Capacity at 15% would allow us to have 480 guests per session. This would allow each graduate 6 tickets for guests to attend their graduation.
- Students will not count toward the 15% just like our athletic events.
- Faculty will not count toward the 15% and will be seated on the gym floor six feet apart.

*** We hope the percentage will be increased by May and in communication with the community we will address the capacity limitations.

By having two ceremonies, we are able to provide each graduate with a larger number of tickets to invite family and friends. We will also use the time in between sessions to sanitize the gymnasium to provide all graduates and guest with a safe environment. Masks will be required to be worn by all individuals in the building and social distancing will be monitored.

Masks and Social Distancing

- Graduates will be seated on the gym floor six feet apart and will be required to wear a mask.
- Faculty will be seated on the gym floor, spaced six feet apart, and required to wear a mask.
- Distinguished Guests (Stage Seats) will be placed in areas around the stage. We will only use the stage to hand out diplomas.
- Guests will be required to be socially distanced and seated six feet apart from other families.

We are excited about these plans and the opportunity to have our students “walk” across a stage. These plans do have the potential to change from now until May 28th. We hope our number of COVID-19 cases continue to decline so we can allow more guests to attend.

Please stay tuned.

Project Graduation

As of today, we do not have plans to have a project graduation. Please know Mrs. Shrewsberry is in constant contact with school administration discussing options.
