

Breckinridge County High School

News - November 8, 2020

Good Sunday evening Tiger Nation!!! I hope this message finds everyone having a wonderful weekend and staying healthy. We had another great week at the high school. I couldn't be more proud of our students and our staff for the work they are putting into our school. We all know this is challenging and difficult for all involved, but it has been very refreshing to watch both students and staff step-up to the challenge. We still have a lot of work to do, but we will continue to meet those challenges and excel! Please enjoy this week's message and Go Tigers!!!

BCHS will be in school this week with Group A in-person on Monday and Tuesday and Group B in-person on Wednesday and Thursday. Group A will have remote work to complete on Wednesday, Thursday, and Friday and Group B will have remote work to complete on Monday, Tuesday, and Friday. I have attached a link to our school schedule for the week of November 9th below.

BCHS School Schedule: Week of November 9

Please continue to discuss grades with your students. As I mentioned earlier, this in-person/remote learning hybrid approach to education is challenging. BCCHS students will have something for each class everyday of the week we are in session. This does not necessarily mean there will be an actual assignment to turn in, but there will be something for them to do each day. Please encourage your student(s) to take care of business while at home on remote. It is also important to know that we are available everyday to help if needed. You can reach us at 270-756-3080 or you can find your teacher's email at the link below.

BCCHS Staff Email List

We do have after-school tutoring available as well Monday through Thursday from 3:00 to 4:00 in the BCCHS Library. Please encourage your student to take advantage of this great opportunity to receive extra assistance on school work they may be struggling with. We also provide shuttle buses to our students to help our families in the community. The shuttle buses will depart BCCHS at 4:20 and 5:20 and will bring students to Ben Johnson, Custer, and Irvington around 4:45 and 5:45.

BCCHS After-School Tutoring

Congratulations to the BCCHS JV academic team and their coaches, Mrs. Melody Mingus and Ms. Jenni Owen for placing second place overall in the South Warren High School JV Challenge and winning the quick recall competition this weekend. Team members include: Caden Lucas, Jakob Norsworthy, Om Patel, Taylor Smith, Elliott Tapp, Claire Thornhill, and Cameron Willoughby.

Due to COVID-19, our team was housed at our high school on Saturday, November 7 and competed virtually against Barren County High School, Bowling Green High School, Grayson County High School, and South Warren High School.

As mentioned above, the quick recall team won the championship in the event and we had many other individuals place in the assessment portion of the event. Jakob Norsworthy placed 6th in the science assessment, Caden Lucas placed 4th in the science assessment, Om Patel placed 5th in social studies, Taylor Smith placed 1st in the social studies assessment, Cameron Willoughby placed 2nd in the language arts assessment, Claire Thornhill placed 3rd in the arts and humanities assessment, Caden Lucas placed 5th in the Composition assessment, and Cameron Willoughby placed 4th in the Composition assessment.

Breckinridge County High School

News - November 8, 2020

The recent rise of COVID cases in the state has greatly impacted our Fighting Tiger football season. After making it for most of the season without any issues, the last few weeks have been interrupted, changed, or cancelled due to COVID. The Fighting Tigers were scheduled to play Muhlenberg County last Friday and that game was cancelled due to Breckinridge County being in the "red" level on Tuesday and Wednesday. We are now having our first round playoff game moved back a week because of the rise across the state. So, the Fighting Tigers will next be in action on Friday, November 20th at Owensboro High School in the first round of the KHSAA Football Playoffs.

I would like to congratulate BCHS volleyball player, Audrey Whitworth for being named to the KVCA 2nd Team All-State team. This is an incredible accomplishment for Audrey and great addition to already being named the Third Region Player of the Year by the KVCA. Great job Audrey.

The Fighting Tiger Marching Band did an amazing job on their performance last Thursday night at their annual Extravaganza. I am very proud of BCHS Band Director, Mr. Ricky Dudgeon, his staff, and our Fighting Tiger Marching Band for moving forward with their season and creating this wonderful performance. Due to COVID-19, marching band competitions across the state were cancelled for the year. Mr. Dudgeon and our marching band studied safety precautions to put in place so they could "march on". They did a magnificent job of staying safe and developing their performance.

Click below for our athletics practice and game schedules for the week of November 9th.

BCHS Athletics: Week of November 9

I hope everyone has a wonderful week! Continue to take care of each other and stay healthy. The importance of wearing a mask and social distancing is greater now than ever before. The more we can do to stay healthy, the longer we can stay in school and the longer we can continue to play athletics. So, let's go Tiger Nation! Let's do our part!!!

Adam Cox, Principal
Breckinridge County High School
