

Dear BCCHS Learning Community,

Good Sunday evening Tiger Nation!!! I hope this message finds everyone doing well, healthy, and rested after an enjoyable fall break. It is hard to believe that we are already moving into our second grading quarter of the year. We will be mailing report cards on Friday, October 16 to arrive home during the week of October 19. We will be continuing the A/B schedule Monday, October 12th. Please enjoy this week's Send-It Notification and Go Tigers!!!

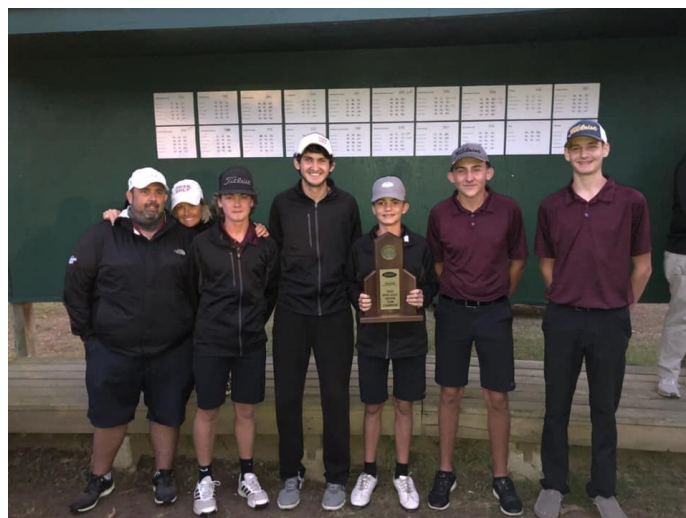

I would like to start this week's message by complimenting our students on a wonderful start back to in-person instruction. I could not have asked for a better start! Our students did an amazing job of wearing their masks and an even better job of social distancing during class exchanges. I also really appreciated the positive attitude each student exhibited during the day. I know the masks are aggravating and I know many of the procedures we have in place are frustrating, but our students put those exasperating feelings to the side and took care of business like true Champions!!!

Again, we will be on the A/B schedule this week coming up. This week will be the first week of the second grading period. It is imperative to get off to a great start. If you are a student attending in-person classes two days a week, please take full advantage of being in-person and remember that you have three days of remote learning to do each week. For our students on remote learning, please know that we are available every day to help you. You can reach us at 270-756-3080 for any assistance and you can email your teachers directly for any help. I have placed two links below to our staff email and our A/B rosters.

Congratulations to our Fighting Tiger golf team for winning the first regional golf championship in school history and competing at the KHSAA State Golf Tournament. The golf team is comprised of Lincoln Smith, Ethan Lucas, Shelton Smith, Hunter Barr, and Mercer Rogers. The Fighting Tigers shot a 334 in the regional tournament and were led by senior, Lincoln Smith, with a runner-up score of 77. Lincoln's runner-up finish was also the lowest regional finish by a Fighting Tiger golfer in school history.

Again, congratulations to the Fighting Tiger golf team and coaches, Mitch and Edie Jackson on a wonderful year and history-making regional championship.

The Fighting Tiger Academic Team got off to a great start in the 2020-2021 school year as they took on Ohio County the week prior to fall break. The quick recall team defeated Ohio County in both matches. Cameron Willoughby placed first overall in the region in language arts written assessment and Taylor Smith placed second in the region in social studies written assessment. Please read below for our written assessment results:

I would like to wish the Lady Tiger soccer team good luck this week in the 11th District Tournament. The Lady Tigers will play Grayson County High School on Monday, October 12th, at 7:30 PM at Tiger Field. The Lady Tigers finished the season at 4-6-1 and had many individual records broken. First, Sydney Tucker has scored 22 goals on the season. This is a team record and Sydney also leads the region in goals scored for the season. Marcy Rogers has a team record and region leading 11 assists on the season. Chloe Peterson is right behind her with 10 assists. The previous Lady Tiger record was six assists in a season. The Lady Tigers have also scored 35 goals this season and accrued 28 assists, both team records. Great job ladies, Coach Garrett and good luck this week!!!

Congratulations to the Fighting Tiger football team for defeating Nelson County Friday night 28-14. The Fighting Tigers were down 14-7 at halftime and regrouped with an outstanding second-half performance and outscored Nelson County 21-0. The Fighting Tigers improved to 2-3 on the season and will next be in action on Friday, October 16 at Muhlenberg County.

The Lady Tiger volleyball team will conclude their season this upcoming week. The Lady Tigers will host Daviess County on Monday night, at Grayson County on Tuesday, and then host Holy Cross on Thursday. The Lady Tigers will finish the regular season this week and then prepare for the 11th district tournament at Meade County High School during the week of October 19.

I would like to invite the Breckinridge County community to Tiger Field on Thursday, October 15th for our Band Extravaganza. The Fighting Tiger Band has had a difficult year with many of the restrictions being placed on programs across the state. Our Fighting Tiger Band, under the direction of Mr. Ricky Dudgeon, decided to proceed with preparing a performance despite many programs across the state cancelling their seasons. The band will be performing at 6:00 at Tiger Field on the 15th. We will have many measures in place to ensure the safety of all involved. We will have to wear masks and social distance. You are encouraged to bring your own lawn chair to sit in.

Kentucky Safe Schools Week will be next week, October 18-24. I would like to encourage all to take the Safe Schools Pledge at the below link. By signing this link, we are going to do our part to keep each other safe while we attend school in-person or attend school remotely.

### **Safe School Pledge**
