

Dear BCCHS Learning Community,

Good Sunday evening Tiger Nation!!! I hope this message finds everyone doing well and staying healthy!!! We had another great week at the high school. I will have to start this week's message out by complimenting our students and staff and their efforts to get our year off to such a great start. I was fortunate enough to complete many classroom observations last week and I was very impressed with the work taking place in our classrooms. I was also impressed with our students' ability to do their best to social distance and comply with wearing their masks. Their efforts are going to keep us in school longer! Please enjoy this week's message and have a wonderful week! Go Tigers!!!

Report cards were sent home Friday. You can expect to receive those early this week. Please go over your student's grades and discuss their success with them. BCCHS will be offering after-school tutoring starting Monday. Please encourage your student to take advantage of this opportunity. Tutoring will be Monday through Thursday from 3:00 to 4:00 in the BCCHS library.
