

Dear BCCHS Learning Community,

Good Sunday evening Tiger Nation!!! I hope this message finds everyone doing well and staying healthy!!! We had another great week at the high school! There is a lot to celebrate from last week and we have plenty to prepare for this upcoming week. Our Lady Tiger volleyball team won the 11th District tournament, our football team defeated Ohio County, our academic had major success, BCCHS cross country runner, Tracey Denson, qualified for the state, and we have worked on our grades in the building. All and all, it was a great week and I look forward to this week coming up! Please enjoy this week's message and have a wonderful week! Go Tigers!!!

Congratulations to the Lady Tiger volleyball team on their victory over Meade County last week in the 11th District Championship game. The Lady Tigers defeated Meade County three sets to zero and will now play in the 3rd Region Volleyball Tournament this week at Grayson County High School. This makes four district titles in a row for the Lady Tiger volleyball team and the ninth in the last eleven years. The Lady Tigers will play Whitesville Trinity at 5:30 PM on Tuesday, October 27th.

Third Region Volleyball Tournament Bracket

Congratulations to the Fighting Tiger Football team on their huge win Friday night against district-opponent Ohio County High School. The Fighting Tigers successfully defended a two-point conversion in the final seconds to secure the win!!! The Fighting Tigers improve to 3-3 on the season and will now play at Owensboro High School this Friday.

Congratulations to BCCHS Sophomore, Tracey Denson on qualifying for the KHSAA State Cross Country Meet in Bourbon County on Friday, October 30th. I would also like to congratulate our Fighting Tiger and Lady Tiger runners on a great season.

This week will be our third week of school in our second grading period. Please continue having conversations with your students about their grades. The biggest challenge of A/B and remote learning is the time our students spend working on their school work outside of school. We are trying to make contact with our students this week that are missing work or failing classes. We do offer after-school tutoring Monday through Thursday each week in our library from 3:00 to 4:00.

2020-2021 BCCHS After-School Tutoring

It is also important to remember that we are all in this together. We all know that there are major challenges to doing remote learning or the work from home on the A/B schedule. Please know that we are available at the high school to help when you need us. You can reach us at the school at 270-756-3080 or you can reach any of us by email. You can click on the link below to find the email address to our entire staff.

Our Fighting Tiger and Lady Tiger Basketball teams will have tryouts starting tomorrow. Both of those tryouts will take place in Tiger Arena and all students trying out must have an up-to-date KHSAA physical.
