

Dear BCCHS Learning Community,

Good Monday morning Tiger Nation!!! I hope this message finds everyone doing well and staying healthy! I also hope this message finds everyone ready to get back in person next week on our A/B schedule. I will be sure to go over our plans for this final week of remote-only learning and how we will start next week on the A/B schedule. Please enjoy this week's Notify Me and Go Tigers!!!

I would like to remind everyone that we will be starting our in-person instruction next week, Monday, September 28th, on an A/B schedule. Students will be in attendance two days a week with group A students attending school on Monday and Tuesday and group B students attending school on Wednesday and Thursday. Students will have work every day of the week but will receive in-person instruction for two of those days. I have placed a link to our A/B rosters below.

BCCHS A/B Schedule Rosters

Again, we look forward to seeing all of our students in-person. We realize that some students are ready to be back in-person and some students are not comfortable with returning to the in-person setting yet. We most definitely respect that decision and have plans to continue delivering the best instruction possible with any route you choose to take.

At this point, students can select to attend school in-person two days a week on our A/B schedule or remain in remote learning where they will do as they have done for the last five weeks. We do need to know where everyone stands as of today on how they plan on returning to school. Please click on the link below and fill out the form for how your student will receive their education.

Return to School Survey

We will be having a freshman class tour for all of our 9th-grade students on Wednesday, September 23rd from 4:00 to 6:00. We would love for all of our freshmen to be here so we can get you as familiar as possible with our building. The tour itself should take place anytime in the allotted time frame and each tour will last about twenty minutes. We are going to have to go in small groups to ensure we keep everyone involved safe.

I would like to wish our Lady Tiger and Fighting Tiger Athletics good luck this week. Please click on the link below to see our games for this week. We are still in segment one of our return to athletics plan. During segment one, we are only allowing 20 percent capacity at games, and ticket holders only can be admitted. Right now, we are only allowing each athlete to have four tickets for their family members. We are not allowing any student body or general public ticket sales yet. We hope to increase our game capacity to 30 percent as early as next week.

BCCHS Athletics - Week of September 21
