News - September 6, 2020

Dear BCCHS Learning Community,

Good Sunday evening Tiger Nation!!! I hope this message finds everyone doing well and staying healthy!! We have made it through the first two weeks of remote learning. I appreciate the hard work being put into remote learning by our teachers, students, and parents. The success of this program and the instructional impact on our students wouldn't be possible without the efforts and collaboration of those three groups. Please enjoy this week's BCCHS News! Go Tigers!!!

Again, remote learning has gotten off to a great start. Please be mindful that all students need to check their seven Google Classrooms daily along with their student email daily. Also, it is a nice reminder that the first six weeks of school will be the first grading period of the school year. Therefore, the work you're doing is important and it counts. So, finish the next four weeks strong.

BCCHS is offering tutoring services from 4:00 to 6:00 P.M. Monday through Thursday via Google Classroom to help any students struggling or needing assistance. Also, please remember that we are available every day of the week if anyone needs us. BCCHS teachers are available from 8:00 to 11:00 and 12:00 to 3:00 each day. All of our teachers also have office hours each day and can be reached through Google Meet to meet with any students live. Those hours can be found on our staff pages at the link below.

BCCHS has developed and released our Return to Sports plan for the 2020-2021 fall sports season. This plan is broken into three segments as recommended by the Kentucky High School Athletic Association to ensure a safe return for our student-athletes. I will admit, BCCHS starts off very cautious in our planning, but we do this to help get our seasons started safely and successfully. We hope to loosen up on our regulations as the season progresses. We will also have all of our home games available through our Breck Live channel for free.

This week's Tiger games:

- Thursday, September 10, 2020: Volleyball Host Whitesville Trinity
- Friday, September 11, 2020: Football Host Caverna

I know this is a lot of information and I am sure there are many questions still out there. That is perfectly fine. We are in this together and we will do anything to ease your mind and fears. Please do not hesitate to reach out to me if you have any questions or concerns.
