

## **Breckinridge County High School**

First Day of School: Tuesday, August 25, 2020  
Students will have remote learning classes everyday.

Good evening Tiger Nation!!! I hope everyone is doing well and ready for the start of the 2020-2021 school year. Tomorrow is the first day of the year for Breckinridge County students. All BCHS students will start their remote learning tomorrow through Google Classroom. Students will need to check all seven of their Google Classrooms each day during remote learning. Students will have assignments posted in their classrooms everyday.

Please be mindful that teachers are available from 8:00-11:00 and 12:00-3:00 via email. You can also reach the high school each day at 270-756-3080. I have included a link to remote learning resources and a link to our faculty and staff websites to help each of you through this process. Good luck to all and Go Tigers!!!
