## Semester Exams

Attendance shall be mandatory at the scheduled times for the exams administered at the end of each semester. Students must pre-arrange absences with the BCHS administration. Failure to pre-arrange an absence or take an exam as scheduled shall result in a zero being awarded as the exam grade.

- The following points are suggested for a more efficient and effective study:
  1. **BE ALERT IN CLASS:** Actively participate in class discussions. Ask questions and consider all discussions thoughtfully.
  2. **KNOW YOUR ASSIGNMENTS:** Write down carefully all assignments and requirements for reference. Know what is expected for academic success and set your personal goals for achievement high.
  3. **PLAN YOUR STUDY TIME:** Try to study at the same time every day. Set aside time specifically for pursuing your assigned work. Plan for periodic review of all academic assignments. Know long-term assignments and plan to pursue without delay.
  4. **STUDY IN QUIET, WELL-LIGHTED PLACE:** Avoid distractions and work intently with conscientious effort.
  5. **KNOW WHAT YOU STUDY:** A written assignment requires thorough familiarity with the assigned material. Written assignments indicate the effectiveness of the student's study plan. Examinations indicate a comprehensive understanding of assigned materials.
  6. **MAKE USE OF SUGGESTED STUDY AIDS:** Use study tips recommended by each teacher such as outlining, notes, index cards, or highlighting. Use the library and media center for support materials and research.
  7. **PRIORITIZE:** Set aside one hour each day, every day without distraction to prepare for the next day.

## Grade Point Average Calculation

  - A = 4.0 points
  - B = 3.0 points
  - C = 2.0 points
  - D = 1.0 points
  - F = 0 points
- All honor level classes are calculated on a 4.5 scale to take into account the degree of difficulty of this level of class:
  - A = 4.5 points
  - B = 3.5 points
  - C = 2.5 points
  - D = 1.5 points
  - F = 0 points
- AP and dual credit classes are calculated on a 5.0 scale to take into account the degree of difficulty of this level of class:
  - A = 5.0 points
  - B = 4.0 points
  - C = 3.0 points
  - D = 2.0 points
  - F = 0 points

- All methods of grade point calculation will be used in determining GPA and class rankings.
  - Beginning with the Class of 2024, BCHS will not be using class rank to signify a Valedictorian or a Salutatorian.
  - BCHS will still be recognizing valedictorians and salutatorians for the classes of 2021, 2022, and 2023.

### **Grade Reporting**

- Teachers are expected to report grades in a timely manner and communicate with parents of struggling students.

- Students who fail to complete requirements for coursework may have the opportunity to recover credit through summer school on a school program called PLATO, or during PLATO on the students on time.
- The school will monitor these programs and notify students/parents when credits are in need of recovery.

### **Dual Credit: BCHS Independent Study Program**

- Dual-enrollment is a program that provides the opportunity for qualifying high school students to take college-level courses under the supervision of a teacher at BCHS, Mrs. Stephanie Barr. Breckinridge County High School has partnered with post-secondary institutions, such as Elizabethtown Community and Technical College, Murray State University and Western Kentucky University to offer students the opportunity to independently explore the world of college curricula prior to their high school graduation. An independent study class is one of the first times in students' academic careers where they can demonstrate initiative and build skills—such as self-discipline and time management—that will benefit them in college and beyond. If a student chooses to take this class, it will take the place of an elective course in their BCHS daily schedule. It is important to note that there is a fee for each class, which is assessed by the college of choice.
- Potential benefits of the program:
  - Less time required after high school to finish a college degree
  - Students can get a head start on the college experience
  - Save money on tuition (Current rate is \$58 per credit hour) - KHEAA also offers two free courses to all students in 11th or 12th grade to use prior to graduation. Some students can receive two additional classes, free of charge if they qualify as “Work Ready” courses.

- Grades earned become part of the student’s permanent transcript at BCHS as well as their college transcript (if courses are transferred)
  - Students are able to transfer credits earned to a technical or four-year institution
  - Students may explore fields of study that help them choose a major later
  - Students may choose from classes not currently available at BCHS
  - Students completing dual enrollment courses while in high school tend to have higher cumulative GPAs during their first three years in college.
- Notes to consider:
    - Parents/guardians are responsible for payment for each course, made directly to the college.
    - Students are required to take one course in the fall and another in the spring for a total of two.
    - Students may have to purchase a book, e-book, or pay additional fees assessed for classes
    - Students must receive a grade of “C” or above to continue enrollment in the Independent Study program
    - All courses taken must go on the BCHS transcript as what the college grading scale stipulates
    - College courses are offered by semester, but each will count as a full credit on the BCHS transcript

### **Homework**

- The homework policy for each course will be provided by the teacher of that subject in the class syllabus at the beginning of each course.
- Teachers determine the frequency and value of each homework assignment.
- Students are expected to complete all assignments deemed necessary by the teacher in a timely manner.

### **Cheating/Plagiarism**

- Honesty and integrity are the core values of an academic institution. Academic dishonesty infringes on these values and is unacceptable behavior at Breckinridge County High School that cannot be justified. Academic dishonesty includes, but is not limited to, cheating and plagiarism. Each teacher will explain to students how academic dishonesty is defined in their classroom for their specific academic area. Any student found demonstrating academic dishonesty will be at risk of academic/classroom and administrative consequences. BCHS strives to help students grow, not only academically, but also as moral and ethical citizens of our community.
- Plagiarism occurs when students take ideas or words from another and present or claim them as their own.
- Plagiarism includes using work from a source (e.g. the Internet, an encyclopedia, a textbook, any other published or unpublished work, or an oral interview) without proper citation or reference.
- Plagiarism includes the unauthorized use of images, music, and videos that are not original creations; these must also be cited to avoid copyright infringement.

### **Parent/Teacher Conferences**

- BCHS will have two Parent/Teacher Conferences per year. The first Parent/Teacher Conference will be during the fall semester after the first quarter and the second Parent/Teacher Conference will be in the spring after the third quarter.
- All parent/teacher conferences are scheduled by calling the guidance office.

**Make-up Work**

- It is the responsibility of each student to complete academic make-up work as specified by each teacher. Incompletes shall not be carried past semester completions without administrative approval. Students with unexcused absences will be awarded zeroes for assignments on those days.

In the event a second offense occurs, the administration shall make a decision that will likely not allow the student to attend future events.

It is very important for the successful operation of the BCHS lunch program that all students move quietly and orderly to the commons and remain seated during the allotted lunch period.

- *(DAMAGING OF LOCKERS AFTER ASSIGNMENT WILL WARRANT DISCIPLINARY ACTION.)*

BCHS retains the right to inspect its contents to ensure that the locker is being used in accordance with its intended purpose, to eliminate fire and other hazards, to maintain sanitary conditions, to attempt to locate lost or stolen material, and to prevent the use of the locker to store prohibited or dangerous material such as weapons, illegal drugs, and/or alcohol. All inspections of student lockers shall be conducted by the BCHS administration.
- The Breckinridge County High School will retain access to student lockers by keeping a master list of combinations and a master key. Students may not use their own locks to prevent access to lockers by school officials. Any unauthorized locks will be removed without notice and will be destroyed.

### **Lost and Found**

- Students have the responsibility to keep their personal possessions and books and material rented or loaned by the school secure at all times. Clothing, materials, and books found should be turned in to the BCHS administration. Students missing items should consult a member of the BCHS

administration before or after school.

### **Parking/Driving Privileges**

- Driving to school is a privilege for those students who can handle this responsibility.
- Each student driving a personal vehicle shall prominently display a BCHS student parking permit. A student able to pay the cost of providing his/her own transportation should be able to meet his/her educational and financial responsibilities first. Therefore, in an effort to regulate the number of private vehicles, and to set standards that will ensure the safety of each student, we establish the following student vehicle policy:
  - a. Parking passes will be \$25 per year and can be purchased from the principal or assistant principals;
  - b. All students driving a personal vehicle will be required to arrive at the school campus only between 7:10 A.M. and 7:47 A.M. each day and enter the campus, bearing right in front of the school, down the east side of the school, to the student parking lot;

    - BCHS administration has allowed some students to park in a special area if they have reached certain academic benchmarks.
  - f. The BCHS administration reserves the right to search any personal vehicle if that vehicle is suspected of containing any illegal substances or contraband; students are responsible for the riders and the contents of their vehicles;
  - g. All Kentucky highway statutes will be fully enforced on the school campus at all times. In addition, a mandatory 15m.p.h. speed limit will be enforced on student drivers while on the school campus;
  - h. Students are not to return to their vehicle for any reason during the school day without permission of a school administrator;
  - i. Students reverse entrance route to depart;
  - j. Students who receive a failing grade at the end of the 9 week grading period will not be permitted to drive.
    - A student may drive again when the grade is passing at the progress report period or end of the next 9 week grading period.
- The safety of each BCHS student is our only concern in defining this policy. Any student violating these regulations or committing any act jeopardizing the safety of any person and/or BCHS property may have their campus driving privileges restricted. Suspended, or permanently revoked.

### **Notification of Parents**

- In accordance with the Family Education Rights and Privacy Act, parents shall have the right to inspect and review all education records relative to their child by making a request to the principal of each school or other designated official. Written policies have been developed which describes the types and locations of these records

and specific procedures available to parents for the review of records, the amendment of or hearing concerning educational records believed to be inaccurate, misleading, or otherwise in violation of the privacy or other rights of the child, and for the disclosure and destruction of records. Copies of these policies and procedures may be obtained upon request from the office of the Principal or of the Superintendent.

In accordance with federal regulations concerning the release or transfer of educational records, it is the policy of this school district to forward educational records upon request to a school in which a student seeks or intends to enroll. Parents may obtain upon request, copies of the records transferred and an opportunity for a hearing. Directory information may be released by the schools on individual students unless specific instructions not to do so are presented to the Principal or Superintendent in writing by the parents of a student on or before September 15 of each year. Directory information shall include the student's name, address, telephone number, date and place of birth, sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent education institution attended by the student. Parents shall have the right to file complaints of the Family Education Rights and Privacy Act concerning any alleged failures of the district to comply with this act.

Parents of a child who has graduated or otherwise left the district and who was formerly enrolled in a program for exceptional children may request the destruction of any personally identifiable information in the education record of their child which was collected, maintained or used for the identification, evaluation, or placement of the exceptional child. Such requests should be addressed in writing to the Principal or the Superintendent.

### **Textbooks**

- Each student is responsible to return their assigned textbooks in good condition at the end of the school year. - The student must be present at Breckinridge County High School on all mandatory state assessments days (which include but are not limited to ACT, KYOTE and State Field Tests). A staff member from BCHS will make contact prior to testing dates to allow students enough time to plan their attendance. Students may also be asked to come in for remediation when necessary. This is your responsibility as a virtual student. If you do not complete your responsibility, you will return to regular classes at BCHS.
- The student must contact a BCHS administrator and/or the program director (Stephanie Barr) with any issues which may prevent him or her from completing work each week.

## **ATTENDANCE POLICY**

Breckinridge County High School strives to create circumstances and situations which correspond to success-builders in preparation for the adult world. Responsible and punctual attendance is certainly one of these. Moreover, we shall stress daily attendance and productivity in conjunction with this policy.

### **I. Statement of Philosophy**

- No single factor contributes as much to academic success or failure as does absenteeism. School attendance is essential to school success. Students must make a total commitment to daily and punctual attendance, thereby establishing a pattern of responsible behavior which will also make them successful in their adult vocations. Parents are charged with the responsibility to recognize their legal and moral liability to cause daily and punctual attendance of their students as required by the Kentucky Compulsory Attendance Law, KRS 159.150.

### **II. Statement of Philosophy Application**

- All students must turn in an excuse to the attendance office on the day of their return. The written excuse will be evaluated by the BCHS administration and marked excused or unexcused. Failure to submit a note will result in the absence being marked as unexcused.

### **III. Statement of Administration**

- Attendance is recorded daily by each teacher in all seven classes with a master list prepared from the 1st-period absentees. Additions and deletions are made throughout the day as check-ins/check-outs occur.
- Students should advise the school administration or the BCHS front office personnel in advance of any absence whenever possible. Call the school (756-3080) between 7:15 and 7:47 on the morning of absence to verify the nature of the absence.
- Attendance is determined by the amount of time the student is absent. If a student is absent from school for up to 60 minutes, this will be counted as a tardy. A student can receive a tardy for checking out in the middle of the day and returning in less than one hour or leaving early with less than an hour of school remaining. If they are absent longer than 60 minutes, this will count as an absence.

### **IV. Attendance Appeals**

  2. This committee shall have the authority to allow a student up to three additional absences based upon the above-stated reasons.
  3. In extreme cases this committee will have the authority, in its reasonable discretion, to extend the absence beyond six absences.
  4. Within three school days of the hearing, the student and his/her parent or guardian shall receive a written finding of the School-Based Attendance Committee.

5. If the student and/or his/her parent or legal guardian is not satisfied with the finding of the School-Based Attendance Committee, they have the right to file a written statement requesting a hearing before the Central Office Attendance Committee. This committee shall consist of the superintendent and/or his/her designees.

8. Within three days of the hearing, the student and his/her parent or guardian shall receive a written finding of the Central Office Attendance Committee.

- **LATE ARRIVALS:** All students are expected to be on campus and in a class by 7:50 A.M. each morning. Those students arriving after the 7:50 A.M. bell are expected to sign in at the front. Those late arrivals verified by a doctor/dental statement or other required and verified appointments including pre-arranged and/or verified emergency work will be marked excused. Other late arrivals (oversleeping, car trouble, or just late, etc.) will be marked unexcused and accumulate toward the maximum tardies/days allowed.
- **TARDIES AND ABSENCES:** All students are expected to be in class with all books and required materials at the bell. Students will have sufficient time between classes to go to the bathroom, locker, etc., prior to the next class beginning. All tardies (other than faculty and administration approved) accumulate against the tardy limitation which will cause restrictions to be placed on the student and will result in being assigned in-school suspension (See Classroom Tardies).
- **ABSENCE UNEXCUSED:** Skipping school, suspension from school, and days designated by the attendance committee are considered unexcused absences. Tests and assignments missed during an unexcused absence cannot be made up and a zero will be awarded.
- **LATE BUSES:** Students arriving late to school as a result of bus problems must report to the front receptionist desk for a Late Bus Admit Slip. Tardies as a result of late buses will be excused.
- **SCHOOL ACTIVITY APPROVED ABSENCE:** Defined as the absence of a student from class while involved in a meaningful school activity approved by the principal or his designee. This activity will be approved at least one day in advance of the activity so notice of the activity can be communicated via the daily absentee report. This absence from class will not count toward the six days absent limit. Poor or failing academic performance or excessive absences may restrict the number of school activity approved absences. Additional to participation in a school-sponsored event and activity school approved absences are allowed for pre-arranged college orientation (maximum of one day) and competition for college scholarships. These days are available without the direct supervision of school personnel, However, the school administration must approve/acknowledge these days in advance.
- **SUSPENSION FROM SCHOOL:** Disregard for school rules and/or violation of the disciplinary code may result in the student being suspended from school. Classroom assignments and tests missed may not be made-up for absences accumulated while under disciplinary suspension from school, and these absences will count toward maximum days allowed.

- **SKIPPING SCHOOL:** Being absent from school or a class without a parent and school knowledge and/or consent. Classroom assignments and tests missed may not be made-up for an absence from class due to skipping school.
- **COMMUNICATIONS:** Students shall report to the attendance clerk immediately upon return to the BCHS campus after an absence or early dismissal from school. Students shall present a note from home signed by their parent/guardian explaining the absence(s) or verification from dentist/physician or other required and verified appointments if applicable. The BCHS administration shall regularly contact the home of the absentee to inquire about the nature and anticipated length of absence. Failure to properly document absences will result in the absence being marked unexcused and all assignments missed converted to zeroes.
- **HOMEWORK ASSIGNMENTS:** For students anticipating being absent from school for more than two or three days, arrangements shall be made for dispatching assignments and materials to the home upon request to the Guidance Department.
- **HOMEBOUND SERVICE:** For students anticipating being absent from school for extended days for medical reasons, the services of a homebound instructor are available upon request (properly documented statement by attending physician required) to the school principal or his designee.
- **PERFECT ATTENDANCE:** A student being in attendance all day for each day of the school year will receive a Perfect Attendance Award.
- **DISCIPLINARY SANCTIONS:** Violations of conditions set forth by the BCHS Attendance Committee are subject to disciplinary actions being imposed by the school administration.
- **TRUANCY:** KRS 159.150 defines truancy as absent or tardy on three or more days without a valid excuse.
- **MAKE-UP TIME:** Time additional to the regular school day, regular school week, or minimum school term (includes before school, after school, Saturday school, or summer school).

**Excused Absences** (requires written statement)

1. Illness - Medical Excuse
2. Death in family
3. Medical appointment of student
4. A student sent home from school sick
5. Religious holidays
6. Reporting to court
7. Driver's license test or examination (1/2 day-2 times)
8. Military leave, deployment, or training
9. Other circumstances as approved by the principal

**Excuse/Parent Notes**

- Students absent from school shall turn in a written excuse on the day of their return. The excuse will be evaluated by the administration and marked excused or unexcused. Failure to bring an excuse will result in the absence being marked unexcused and resulting in a zero being recorded for any assignment or exam missed during the student's absence from school. Written excuses from a parent to validate a student's reason for his/her absences will be accepted a total of six times per school year. All other absences will only be excused with a professional statement.

Four unexcused absences will result in an attendance letter being sent home to the student's parents. Six unexcused absences may result in truancy charges being filed.

## Purpose

The purpose of the Breckinridge County Virtual High School is to provide an opportunity for students to obtain a high school diploma through a non-traditional avenue. The Virtual High School has the ability to serve students who have a wide array of academic abilities, from gifted and talented students to students at risk of not graduating. We do not focus on labels, but instead on challenging our students with a rigorous, individualized learning environment that meets their needs and allows them to meet graduation requirements in order to receive a diploma.

## About Breckinridge County Virtual High School

Virtual High School is an alternative way of obtaining a high school diploma outside the traditional high school setting. Enrollment requires each student and a parent/guardian to meet with Breckinridge County High School administration in order to develop an individualized course of action that meets the needs of the student. At this time, all parties will examine current credits and anticipated graduation date to determine what additional courses the student must complete in order to obtain a high school diploma.

Students attending Virtual High School must:

- Meet the graduation requirements set forth by the Breckinridge County Board of Education
- Adhere to all Breckinridge County Virtual High School guidelines
- Obtain 22 credits, which include:
  - 4 English credits
  - 4 math credits (Required: Algebra I, Geometry; Algebra II for Class of 2021 & 2022 only)
  - 3 social studies credits
  - 3 science credits
  - 1 health and PE credit
  - 1 humanities credit
  - 6 additional electives in a pathway

The student learning plan and the anticipated graduation date will be used to develop a set of deadlines for the student to meet where a certain number of classes must be finished by each date. **Students not meeting the agreed upon deadlines could be removed from the program and re-enrolled in the regular high school setting.**

Students earning 22 credits, becoming college and/or career ready, and meeting all graduation requirements will receive a diploma from the Breckinridge County Independent High School. This diploma holds the same weight as any other high school diploma. There will be a ceremony for students and their guests to attend after completion of this program. Please note that this graduation ceremony is only held at the conclusion of each school year and is separate from the Breckinridge Co. High School graduation ceremony. For students finishing prior to the end of the school year, we are happy to provide a

letter stating that graduation requirements have been met; however, official diplomas will not be available until late May/early June each year.

## **Breckinridge County Virtual High School Guidelines 2020-2021**

---

Enrollment in virtual classes occurs on an as needed basis for extenuating circumstances and only with the approval of Breckinridge County High School administration. Students enrolling in virtual classes must abide by the following guidelines. **If a student is unable to abide by these guidelines, then BCHS administration will call the student back to the high school for enrollment in regular classes. Attendance at BCHS will be expected or the student will become truant.**

### **Guidelines:**

- The student must be enrolled in and complete the assigned number of classes needed to reach 22 credits. The amount of classes in which the student is enrolled will be determined by the student's current progress in meeting graduation requirements and the student's anticipated graduation date.
- The student must have internet access and access to a computer or other device necessary to complete work through the virtual program.
- The student must ***work online for a minimum of 25 hours per week and complete the number of classes set forth by BCHS administration by the given deadlines.*** The deadlines will be calculated based on the number of courses which need to be finished by the anticipated graduation date. Students are encouraged to work ahead should they finish all necessary classes prior to the deadline.
- The student must be present at Breckinridge County High School on all mandatory state assessments days (which include but are not limited to ACT, KYOTE and State Field Tests). A staff member from BCHS will make contact prior to testing dates to allow students enough time to plan their attendance. Students may also be asked to come in for remediation when necessary. This is your responsibility as a virtual student. If you do not complete your responsibility, you will return to regular classes at BCHS.
- The student must contact a BCHS administrator and/or the program director (Stephanie Barr) with any issues which may prevent him or her from completing work each week.
- The student must update contact information with BCHS should his or her address, email or phone number change while enrolled.
- The student is not eligible to participate in any extracurricular or athletic teams. Only full-time students enrolled at BCHS are able to play/participate on athletic teams.
- The student can enroll in programs offered by the Breckinridge County Area Technology Center and BCHS in order to meet career readiness requirements set forth by the state of Kentucky.
- The student must respond to periodic contact (email, phone, Google Classroom, etc.) with the program director and/or school administration. If regular contact is not maintained, then the school may schedule a home visit that could result in the student being required to return to BCHS.

**IMPORTANT:** If adequate progress is not made or the student is not meeting his/her responsibilities, then he or she may be required to return to regular school as determined by BCHS administration. The grade earned in each virtual course will be the current grade given to teachers when a student returns to regular classes.
